

Lekker by the Sea

Activities Guide

Beach

Welcome to one of the only beaches on the East Coast that runs East/West, which means you can see beautiful sunsets!

- **Beach Access:** Five minutes walk to our beach access: turn left out of the driveway and left at the first street.
- **Oak Island Pier:** Visit the pier house where you can purchase fishing passes, frozen bait, fishing tackle, snacks, ice cream, beer and wine.

Outdoor Activities

- **Biking:** The island is perfect for a nice bike ride with flat roads and scenic coast routes. Ride along Beach Drive for ocean views or along Yacht Drive for marsh views.
- **Splash Pad:** Visit Middleton Park with your kiddos to play on the playground and splash pad. Pro tip: be sure to get the Dole Whip from the truck nearby!
- **Putt Putt: Oak Island Jungle Golf** is a fun way to spend your afternoon. It's a jungle-themed course with fun obstacles and a laid-back vibe.
- **Pool:** Hang out around the pool for a break from the beach and enjoy the water right at the house!

Shopping

- **Oak Island:** Enjoy shopping locally at an array of beach shops and fun finds! Strands Outfitters is a favorite for all your favorite beach brands. Hit Beach Life OKI for your special souvenir t-shirt.
- **Southport:** Southport has some amazing shops that you should definitely check out. From boutique clothing to special gifts, there's a lot to see there. Don't miss the Southport Market General Store!

Rainy Day Activities

Even though we average 220 days of sunny weather in Oak Island, you may get a rainy day! Not to worry, you can still have fun in Oak Island and Southport.

- **Shopping Trip:** Head over to Southport to check out the great shops and grab a nice lunch. We recommend to go earlier in the day as traffic can be heavy on rainy days.
- **North Carolina Aquarium at Fort Fisher:** A fun trip where you can take the car ferry from Southport to Fort Fisher and then spend the day checking out the sharks, sea turtles and interactive exhibits.
- **Arcade and Candy Shop:** Beachlife Sweets OKI has a small (but fun!) arcade and an array of candy and other special treats. A little further away in Shallotte, Plant Fun has bowling, an arcade, laser tag and mini golf.
- **Throw Baxe Axe House and Board Game Lounge** in Southport is a fun spot for axe throwing and family fun!
