STORY TIME

Why the name EASTROATAN?

Roatan is a well-known island in the Caribbean, part of Honduras. By including "Roatan" in the name, it immediately identified the primary location of our boat tour operations. Adding "East" specifies the region of the island we operate in, helping potential customers understand where our services are based.

Emphasizing the "East" part of Roatan was the main idea offering experiences on that specific part of the island, such as hidden gems, less crowded beaches, exclusive snorkeling spots, swim with nurse sharks, and much more!
