# CONNECT TO WIFI

WIFI NAME

**GUESTS  
DEEPWOOD  
CHALET WIFI**

PASSWORD (Case  
Sensitive!)

**WelcomeGuests2024**

- Our WiFi operates by 3 “Nodes” (white boxes), which are placed throughout the home, one on each level.
- If you need to plug directly into a Router “Node,” we suggest using the Top Floor “Queen View Bedroom,” which has a desk, router node, & surge protector for your convenience. The other two are hidden.
- Disabling or tampering with the WIFI will incur a fine & a visit from one of our representatives to fix it.
- You may consider enabling WIFI-assisted calling to help with cell service. Check with your carrier for charges.

# CHECK-IN

---

## Check-in is after 4:00 pm

### DIRECTIONS & PARKING

#### Locating the Cabin:

- We use Google Maps for best directions & traffic information in our area. You will likely lose cellular service several times in the NC mountains, so please have your route downloaded before you arrive in the area.
- 258 Deepwood Court, Seven Devils, NC is sometimes listed as being located in Banner Elk, NC.

#### Access:

- You will be sent a code & Instructions to the Home a couple days before your arrival by email. It is unique to your stay & will not work outside your authorized hours.:

#### Parking Spots:

- Please park within our fence line (see the fence split in top photo on right side), and please leave a large access to our neighbor's driveway free for him to back in his truck.
- We can typically fit 4 cars by parking as shown in the bottom photo.

#### Early Check-In / Late Check-Out:

- We often have other guests checking in/out on the same day, & our calendar is not always publicly updated & we will need to allow our team (cleaners, hot tub, maintenance, etc.) 4-6 hours to turnover the home. Please message the Host for any needs.

# CHECK-OUT

---

**Check out time is at 10:00 AM**

**We hope you enjoyed your stay with us and we  
hope we earned a 5 Star Review!**

## LAUNDRY

- Please leave all used towels on bathroom floors.
- Please leave sheets on beds so cleaner can treat Stains & leave Crib/Sofa Bed Out.

## KEYS & LOCKS & LIGHTS

- Please lock all SIX of the doors and all of the windows you may have used. & Please place the key back in the lock box, if you had to use it.
- Please turn off all lights.

## PERISHABLES AND LEFTOVERS

- Please throw all food away in a trash bag. Anything left in the fridge or counter will be disposed for sanitary reasons.

## DISHES:

- Please load the dishwasher with all dirty dishes from around the house & start the Dishwasher on "1 Hour" Cycle & "Heated Dry" mode, then press Start. This helps our cleaners tremendously!

## TRASH

- You may leave trash in the inside garbage cans (please pick up trash to discourage pests): kitchen, laundry, bathrooms.
- You may leave up to 4 sealed trash bags in the outdoor trash cans, located near the grill. Please place all trash in bags and ensure the lid closes well to discourage bears/pests.
- Due to space constraints in our Cleaners' Vehicles, you are responsible for disposing of additional trash bags, should you have more. Our closest Trash "Convenience Center" is located at: 10307 NC-105, Banner Elk, NC, which is a shared driveway with Grandfather Vineyard. It's simple to drive in, toss a bag in a dumpster, and drive away - usually less than a minute.
- The trash center is currently CLOSED on Tues / Thurs / Sun, and you will need to find another open Convenience Center on these days at [www.wataugacounty.org/App\\_pages/Dept/Sanitation/hours.aspx](http://www.wataugacounty.org/App_pages/Dept/Sanitation/hours.aspx)

## **Early Check-In / Late Check-Out:**

**We may have other guests checking in on the same day, & our calendar is not always publicly updated & will need to allow our cleaners time to turnover the home. The cleaners cannot authorize you to depart late - please message the Host.**

## **NEED MORE HELP?**

Your host loves to help and we spend a lot of time here! Please call / text / message us and we can help you fix most things very quickly, or order service calls for things that need additional help.

(828) 537-0443 is your quickest way to get help

# ELECTRONICS

*Instructions in using home equipment and devices.*

ROKU SMART TV'S: (PLEASE DO NOT MOVE REMOTES!)

- 2 - 4K UHD 55" SMART TV'S (ONE IN EACH LIVING ROOM)
- 4 - 32" HD TV'S (ONE IN EACH BEDROOM)

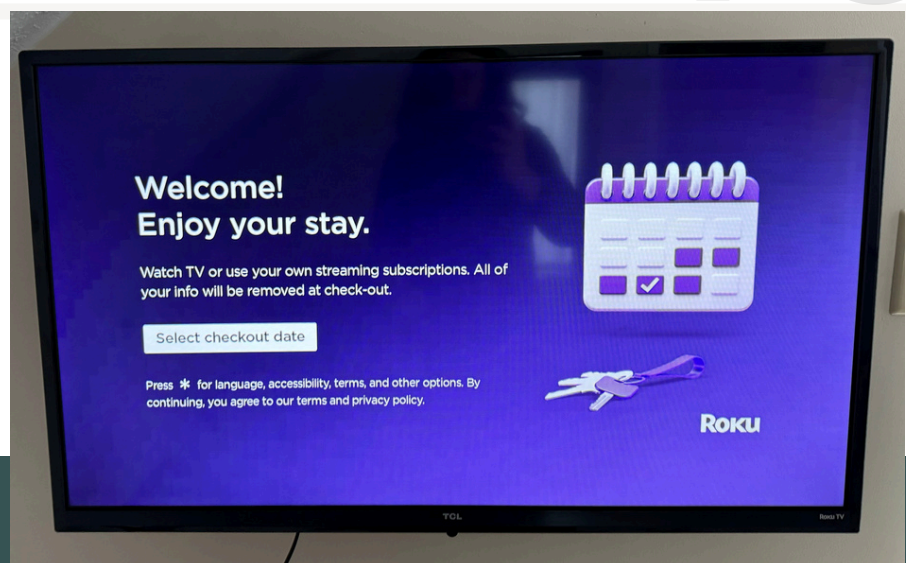

- **Roku Smart TV's are Bring-Your-Own Password Devices. Bring your login info to your streaming services.**

- When you turn on the TV, enter your check-out date (and the TV will automatically log you out of your streaming services on that date).
- THE VOLUME BUTTONS ARE ON THE RIGHT SIDE OF THE REMOTE. THE ON / OFF BUTTON IS AT THE TOP IN RED.
- Use the Home Button to move to the main screen after you have checked in.
- For other Free TV options that do not require logging in: From the Home Screen, click on the Roku Channel icon. Once you click on that, you can scroll through a large selection of free TV channels.
- Antenna TV does not work well due to mountain ranges, and local TV channels are not available.

YOU MAY NOT TAMPER WITH, DISABLE, HACK, ETC. ANY ELECTRONICS AT THIS HOME. A REPRESENTATIVE WILL BE SENT TO TURN IT BACK ON & YOU WILL INCUR A FEE.

EXTERIOR CAMERA(S) ARE USED AT THIS HOME & ARE RECORDING AUDIO & VIDEO DURING YOUR STAY IN CASE OF EMERGENCIES. (TAMPERING WILL INCUR A FEE.)

# HEATING & AIR

Our Home uses 3 systems to Heat & Cool. Because the cabin is 50 years old, it is complicated, and we apologize for this!

## TOP FLOOR:

- Google Nest Learning Thermostat: (top picture) is located on the wall between the bathroom & the Queen View Bedroom. Turn the knob to change settings, push in to set. It is set upon arrival to be within a range, and it automatically heats/cool to stay within this range.
- Baseboard Heaters: One is located in each bedroom upstairs, and is controlled by a wall remote in each bedroom (middle picture). **Please TURN OFF when not in the room, and leave 18" clearance from the baseboard heaters for fire safety.** These units sometimes making a knocking noise.

## MAIN FLOOR:

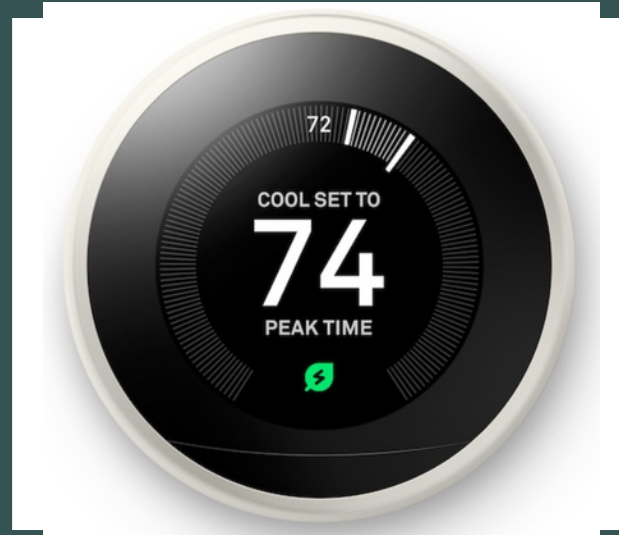

- Mini Split Ductless HVAC System is located in the Dining Room, but the remote (similar to bottom picture) is wall-mounted near the fireplace. Please do not move the remotes. You can change between Heat (Sun Icon) & Cool (Snowflake Icon) & turn up & down the temperature within those ranges. During normal weather, these units can heat & cool this entire floor.
- Baseboard Heaters: One is located in the bedroom, two near the kitchen, one in the dining room, & one in the living room. They are controlled by separate wall remotes. **Please TURN OFF when not in the room, and leave 18" clearance from the baseboard heaters for fire safety.** These units sometimes making a knocking noise.

## LOWER LEVEL:

Please follow the same instructions as the Main Floor

**PLEASE NOTE: TURNING THESE UNITS BELOW 64 DEGREES OR ABOVE 78 DEGREES MAY DAMAGE THE UNITS, AND WILL NOT OPERATE FASTER. FEES MAY BE ASSESSED FOR MISUSE.**

# FIREPLACES

---

Our Home just received 2 new Gas Log Fireplace Inserts with Remote Controls!

- Do not move the Fire Screens, attempt to burn anything, move the logs, or tamper with the fireplaces in any way.
- Fireplaces operate seasonally from October to March.
- To the right of each fireplace, you will find a remote control that has a timer on it. Choose between 30 minutes, 60 minutes, 120 minutes, or OFF. Push the desired button & wait for the fire to come on. If it does not turn on the first time, push off, then push the desired button again. You should not need to access anything with the logs behind the screen or the pilot, starter, etc. during your stay. Please call for help if it does not work.
- These logs are ventless gas logs. If you are going to burn the logs for a longer period of time, please crack a door or window to release carbon monoxide. A combination Smoke / Carbon Monoxide Detector is near each fireplace for safety.
- Please use the Fire Extinguishers provided for Emergency Use Only, and do not tamper with these.
- Turn off fireplaces when you are not in the room. May not be used by Minors when unattended.

**OUR HOME ALSO HAS A FIREPIT  
TABLE & GAS GRILL OUTSIDE.  
ADULT USE ONLY & SUPERVISION  
REQUIRED. PLEASE READ  
INSTRUCTIONS ON UNITS BEFORE  
USE / WATCH VIDEOS.**

*Wish You  
Were Here 7  
Devils*

SEVEN DEVILS, NC

This region of the United States is one of the most spectacular places to visit. Take a scenic drive on the Blue Ridge Parkway, visit Grandfather Mountain and walk across the "Mile High" bridge for long range vistas, or tap your feet to the sounds of local music events! Make memories that will last a lifetime as you experience all the High Country has to offer during every season.

Nearly a mile high, the Town of Seven Devils is known for crisp mountain air and Carolina blue skies, dramatic views of nearby Grandfather Mountain, and the pointed peak of Hanging Rock that towers over town. Come to Seven Devils to experience natural beauty!

Nature is as close as a family-friendly hike on Seven Devils' trail to Otter Falls, just a 1 minute car ride away. Looking for something more adventurous? We can suggest something for every level nearby. Take a drive or a day hike on the nearby Blue Ridge Parkway. Climb Grandfather mountain by car—or hike the famous Profile Trail—both are minutes away, with amazing views. Gaze at the view from the decks of your spacious and comfortable Seven Devils cabin, or head to the valley below to toast the scenery at Grandfather Vineyard. All are great destinations in any season! For more ideas check our Instagram Profile & Click on the “Highlight Bubbles” for more info.

However you choose to enjoy your time in Seven Devils, this town known for its spooky name is a short drive from all of the High Country's ski resorts, restaurants, shops, and galleries. Take it all in, or just come and relax! The town park is free and close by!
