Vilano Bliss, True Blue, Seabreeze & Coconut Cottage (Family Tides)

Located about 5 minutes north of Usina bridge, this neighborhood is friendly and peaceful. Carts can travel on any road with a speed limit of 35 or lower. Easily travel throughout the 15 blocks in the neighborhood. To North Beach Park, playground and walk over bridge. To the Intracoastal for amazing sunsets. Pop over for a bite at 3 local restaurants (Aunt Kate's, The Reef and Caps on the water). Almost every street has beach access but our personal favorite is Eleventh St where you can drive cart across A1A and park right at stairs and be on the beach in seconds, and much safer option if you have kiddos! Roads shaded in gray are drivable with cart with no limits.
