Welcome to Florida Theme Park Villas — Dog-Friendly Stay Guidelines

We're happy to welcome guests traveling with service dogs and well-behaved companion dogs. Our goal is to create a comfortable, safe, and enjoyable stay for *all* guests — including those with allergies, sensitivities, and accessibility needs.

To help us maintain high standards of cleanliness and comfort, we kindly ask that you follow these simple guidelines during your stay:

-  **Please keep dogs off furniture and beds**
This helps us maintain allergy-friendly spaces and keeps the homes comfortable for every guest.
-  **Dogs must be on a leash at all times when outdoors**
This keeps your pet safe and helps us respect neighbors and community rules.
-  **Please use the open field across the street for walks**
It's the best spot for exercise and bathroom breaks.
-  **Kindly clean up after your pet**
This keeps the neighborhood and yards clean and enjoyable for everyone.
-  **Dogs may not be left unattended in the home**
This prevents stress for your pet and helps protect the property.
-  **Dogs are not permitted in the pool**
This ensures water cleanliness and protects the pool systems.

Thank you for helping us maintain a welcoming, safe, and comfortable environment for all guests. We truly appreciate your cooperation and hope you and your furry companion have a wonderful stay!
