safeguest

Protect Every Booking with SafeGuest

SafeGuest provides preventative coverage by verifying guests, identifying booking risks, and creating financial accountability before check-in. Hosts gain greater confidence with every reservation, while guests pay a damage waiver or security deposit and SafeGuest assumes liability up to the selected coverage limit.

Best of all, it's free for hosts.

Built to Reduce Risk and Save Time

Free for Hosts

AI-Powered Guest Screening
AI identifies risky bookings before check-in.

Booking Risk Analysis
Detailed risk summaries for every reservation.

Outsourced Deposit Handling
We collect, hold, and refund deposits for you.

High-Risk Booking Alert
Receive alerts when bookings show elevated risk.

Cancellation Coverage
Financial protection when high-risk bookings are cancelled.

Worldwide Availability
Available wherever you host.

Why Choose SafeGuest
