How do payments work?

Set up secure payouts by bank transfer in three simple steps:

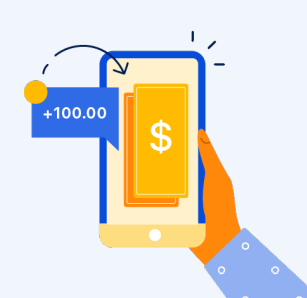

Your guest pays through Booking.com

By connecting you to Stripe a (Payment Service Provider), Booking.com can securely handle your payments - offering guests more flexibility and choice of online payment methods and wallet credits.

We facilitate guests' payment

We'll handle any online payment problems with the guest directly, so you don't have to.

Booking.com arranges for you to be paid out by bank transfer

We'll initiate your daily gross payouts on the day of guest check-in (it could take 1-3 business days to reach your bank account.)
