Acropolis Sky Villa Airbnb content push failed

The content push has failed to Airbnb with the following error:

Channel: [Airbnb \(#215833514\)](#)

Property: [Acropolis Sky Villa](#)

- Sorry, your listing's location is not eligible for voluntary permit collecting

What do I do now?

- Check Airbnb to make sure your listing is still active.
- Resolve any issues with the content configuration.

If you've got questions, contact us and we'll get it sorted out. You can go ahead and reply to this email. This email account is monitored.
